Please park vehicles in “Presenter Parking Lot” adjacent to Family Fishing Pond unless your vehicle is an integral part of your exhibit. If someone in your party needs a courtesy shuttle between the parking area and your exhibit/station, please contact Event Staff.

There are trees in the park, but you might want to bring sun protection or shelter/canopy.

If you need table/chairs, please bring your own. We have permission to move picnic tables within the park, but the park does not have enough tables for every station.

Box lunch and some drinking water provided by Benton Conservation District.

Please RSVP with answers to the following questions:

How many parking passes will you need?

Do you need an electrical connection for your activity?

Do you need a connection to city water for your activity?

How many people at your activity would like a free box lunch?

Please RSVP to:
