9:30am – 10:30am

Breakfast, Orchard Exhibit Hall South
Keynote Presentation, Washington State LASER/Pacific Science Center
Dr. Philip Bell, Associate Professor of the Learning Sciences at the University of Washington

Concurrent Sessions

Learning & Teaching Green, Gala 4

Cultivating the Naturalist Intelligence through Coyote Mentoring
Warren Moon

Systems Green, Gala 2

Service-Learning – A Powerful Environmental Education Strategy
Chris Burt and Susie Richards

Living Green, Gala 1

Learning to See by Looking
Eric Tomberlin

Naturally Green, Golden West

Ensuring "Natural Connections" Remain: Strategically Investing in Outdoor Residential Experiences
Adrian Shulock and Tom Sanford

Leading Green, Golden East

Elementary School Field Days at Barn Beach Reserve, Leavenworth
Jody Marquardt

Powering and Building Green, Gala 3

Climate Change: Global Connections and Sustainable Solutions
David Ketter

10:30am – 11:00am
11:00am – Noon

Break

Concurrent Sessions

Farming and Consuming Green, Gala 4

PEDS: People on Earth Dig Soils
Gayle Hoffman

Systems Green, Gala 2

Preparing Green Teachers: State and National Initiatives
Dennis Sterner and Carolyn Carey

Living Green, Gala 1

March Point (Film)
Tracy Rector and Annie Silverstein

Innovating Green, Golden East

Sustainability is a Prerequisite!

Carrie Hall Tomberlin

Naturally Green, Golden West

Estuaries, Climate Change, and the Future and History of Life on Earth (In 45 minutes or less)

David Henry

Powering and Building Green, Gala 3

Project Learning Tree-Energy and Society

Patricia Otto

Noon – 2:00pm

Closing Lunch, Grand Apple North

Special session Generation Green Town Hall featuring youth and elder leaders discussing their roles in educating for sustainable communities.

Don't miss this engaging luncheon moderated by KOHO Wenatchee Bureau Chief Steve Hair.
